3.1 Use of the Software. SOPHiA GENETICS grants to the Customer, for the term and under the conditions set forth in this Agreement, subject to payment in full of the initial fee and the annual royalties mentioned in the Order, a personal License that is non-exclusive, non-assignable and non-transferable for the use of the Software for which a valid logical key is to be issued to the Customer by SOPHiA GENETICS.

3.2 Types of License. The License is a “Floating License”, the number of Authorized Computers is unlimited, but the number of simultaneous users may not at any time, throughout the term of the License, be greater than the maximum set out in the Order. The users shall be mandatory affiliated to the Customer. Where the License is an “Evaluation License”, the Software can be used on an unlimited number of Authorized Computers but only for a period of one (1) month and solely for the purpose of evaluation.

3.3 Restrictions. The Software contains a mechanism enabling it to verify that the Customer does not exceed the maximum number of authorized users as set out in the Order or the term of the License, which are encoded in the logical keys supplied by SOPHiA GENETICS. Where the Customer exceeds the limits of the License, the Software may cease to function.

3.4 Covenants. Customer covenants and agrees to use the Software for its own purposes and in accordance with the instructions for use, trainings, release notes and other directions of SOPHiA GENETICS. More specifically, but without limiting the generality of the foregoing, Customer undertakes not to:

- Use the Software except for an Authorized Activity and in accordance with this Agreement;
- Translate, reverse engineer, decompile or disassemble in any way the Services and/or the Products;
- Rent, lease, sell, assign or otherwise transfer the Software and/or the Services or any part thereof, including as part of an ASP or SaaS, or alone;
- Download, distribute or publish in any other way, through the usage of the Services and/or the

Software, any content, information or other material that could (i) violate or infringe the rights of any third party; (ii) be libellous, threatening, defamatory, obscene, or indecent or could give rise to any civil or criminal liability under any laws or regulation; (iii) include any bugs, viruses, worms, trap doors, Trojan horses or other harmful code; (iv) contain information that could be used to identify an individual in a way inconsistent with the Services; or (v) violate any applicable laws and regulations.

- Extract or reproduce all or part of the Database or to access or attempt to access it by any other means than the Software used in compliance with its Documentation or by the update utilities supplied by SOPHiA GENETICS.

3.5 No transfer of IP. Nothing in this Agreement or in other related legal documents shall be deemed to transfer any ownership rights or license under trademark, patent, copyright, or any other right, in the Services and/or Products from SOPHiA GENETICS to the Customer.

3.6 Change requests. Customer hereby forfeits any rights of any sorts towards any change request it submits to SOPHiA GENETICS regarding any Service and/or Product, or any part thereof. Customer agrees to, and hereby assigns, any and all rights towards such change requests to SOPHiA GENETICS. For the purpose of clarity, a change request shall consist of a request from Customer to modify, alter, increase, add or improve any part or any functionality of the Services and/or the Products.

3.7 Software Protection. The Customer undertakes (i) to limit use and disclosure of the Software to its employees only; (ii) not to supply or disclose all or part of the Software to any third party without prior written consent from SOPHiA GENETICS; and (iii) to take all reasonable foreseeable precautions to ensure that the Software and identification details are kept confidential. The Customer is authorized to make one (1) back-up copy of the Software solely for the purpose of filing. It is also authorized to reproduce the Documentation (in electronic format) solely for the purposes of facilitating the use of the Software in compliance with this Agreement. The Customer undertakes not to erase identification details of the Software or copyright and restriction notices and undertakes not to disclose any information whatsoever relating to tests carried out on the Software to any third party.

Section 4 – Installation, updates and support

4.1 Access. Except during maintenance periods, the platform is available 24 hours a day, 7 days a week, including Sundays and national holidays.

4.2 Installation. After receiving the logical key supplied by SOPHiA GENETICS, the Customer shall download the Software on the SOPHiA GENETICS website dedicated to such download and install it on its Authorized Computer. The Customer shall install the Software on devices which have sufficient specifications in order for the Software to properly function.

4.3 Updates. Throughout the term of this Agreement and subject to actual payment of annual License royalties set out in the Order, the Customer may obtain all of the Updates which SOPHiA GENETICS is to regularly provide to its customers. Within the meaning of this Agreement, an “Update” means any functional update and any update correcting a glitch (resulting in a change in the second figure in the version number, for example from 1.1 to 1.2) relating to the Software for which this License has been granted to the Customer. An Update of the Software replaces all or part of the Software or a previous Update and is liable to result in total or partial termination of this Agreement; contractual relations between the parties will then be governed by a new license agreement accompanying the Update. The Customer shall be informed that it will be impossible to continue to use a previous version of the Software when a new version has been installed. SOPHiA GENETICS reserves the right, subject to a three (3) months’ written notice, to remotely block use of the Software’s versions which are too old at any time and without any compensation. For any update, SOPHiA GENETICS shall ensure that the Customer’s local data is preserved and remains accessible for the next version.

4.4 Third Party Software. The Customer acknowledges and accepts that the Software contains software and algorithms owned by third parties (“Third party Software”) in particular prediction software developed by research laboratories independent from SOPHiA GENETICS, for which SOPHiA GENETICS is entitled to grant rights of use to its customers. The Software enables its users to access the results produced by such Third-Party Software or to access the websites of their respective publishers.

4.5 API. SOPHiA GENETICS will provide an API key to Customer only for internal purposes. For the avoidance of doubt, Client shall only use the provided API key to link Software to its in-house storage system. Any other use is expressly prohibited. In the event Customer would like to use the API to link Software to a Third Party system, Customer shall obtain SOPHiA GENETICS’ prior written approval by contacting SOPHiA GENETICS at the following email address: alamut@sophiagenetics.com.

Section 5 – Limited Warranty and Liability

5.1 Limited Warranty. SOPHiA GENETICS warrants for a period of thirty (30) days from the date of activation of this License (the “Warranty Period”), that the copy of the Software supplied to the Customer complies with the Documentation. The sole compensation that the Customer may claim in the event of non-compliance of the Software with the Documentation is the correction or replacement of the Software and subject to this non-compliance being notified during the Warranty Period. Should SOPHiA GENETICS consider that such a repair may not be considered from a financial or technical point of view, SOPHiA GENETICS shall reimburse the remaining annual License royalty paid for the Software. This warranty does not cover defects in compliance resulting from alteration by the Customers or by a third party of the Software. SOPHiA GENETICS DISCLAIMS ANY AND ALL OTHER WARRANTIES, INCLUDING FITNESS FOR USE,

MERCHANTABILITY OR OTHERWISE. CUSTOMER ACCEPTS SOLE AND EXCLUSIVE RESPONSIBILITY FOR THE SELECTION OF THE APPROPRIATE LICENSE, AND THE INTERPRETATION, DIAGNOSIS AND USE OF THE RESULTS GENERATED BY THE SOFTWARE. CUSTOMER ACKNOWLEDGES THAT THE PROVISION OF THE RESULTS BY SOPHIA GENETICS CANNOT IN ANY EVENT CONSTITUTE A CLINICAL DIAGNOSIS ON BEHALF OF SOPHIA GENETICS. ACCORDINGLY, THE CUSTOMER ACCEPTS SOLE AND EXCLUSIVE RESPONSIBILITY FOR THE INTERPRETATION OF RESULTS AND THE PROVISION OF CLINICAL DIAGNOSIS ON THE BASIS OF RESULTS GENERATED BY THE SOFTWARE.

5.2 Limited Liability. IN THE ABSENCE OF OBLIGATORY PROVISION TO THE CONTRARY, WHERE SOPHIA GENETICS IS CLAIMED TO BE LIABLE, TOTAL DAMAGES WHICH MAY BE PAYABLE IN RELATION TO THE SOFTWARE OR RELATED SERVICES MAY NOT EXCEED THE SUMS ACTUALLY PAID BY THE CUSTOMER IN THE CONTEXT OF THIS AGREEMENT DURING THE TWELVE (12) MONTHS PRECEDING THE CIRCUMSTANCES OF THE PRESUMED DAMAGE OR LOSS. WITHOUT PREJUDICE TO THE ABOVE, SOPHIA GENETICS WILL NOT IN ANY CASE BE LIABLE FOR DAMAGE OR LOSS SUCH AS LOSS OF INCOME, LOSS OF PROFITS, LOSS OF DATA, OR INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGE OF ANY SORT INCLUDING NOTABLY, COMMERCIAL LOSS OR LOSSES RESULTING FROM USE OR THE IMPOSSIBILITY OF USING ALL OR PART OF THE SOFTWARE OR SERVICES EVEN WHERE SOPHIA GENETICS HAS BEEN INFORMED OF THE POSSIBILITY OF SUCH DAMAGE. THE CUSTOMER DECLARES THAT IT UNDERSTANDS THAT THE SOFTWARE IS TO BE USED BY A COMPETENT PERSON IN THE AREA OF GENETIC ANALYSIS AND THAT IT CANNOT REPLACE THE DIAGNOSTICS OF AN EXPERT WHO ALONE REMAINS RESPONSIBLE FOR FINAL DECISIONS. THE CUSTOMER EXPRESSLY ACKNOWLEDGES THAT IT HAS FULL AND EXCLUSIVE LIABILITY IN RELATION TO ALL DECISIONS OR MEASURES TAKEN OR NOT RELATING TO USE OF THE SOFTWARE.

5.3 Force Majeure. Neither Party shall be responsible for any failure to perform or delay attributable in whole or in part to any cause beyond its reasonable control (other than any payment obligations), including fire, flood, tornado, earthquake, hurricane, lightning, government actions, actual or threatened act of war, terrorism, civil disturbance or insurrection, sabotage, labour shortages or disputes, failure or delay in delivery by suppliers or subcontractors (if any), or the other Party's fault or negligence.

SOPHiA GENETICS may agree to alternate payment methods, subject to an administrative fee. Any bank or other charges relating to the transfer, shall be borne by you. Any taxes, duties, levies or fees imposed by an authorized third party shall also be borne by you. SOPHiA GENETICS reserves its right to modify the prices of the Order at any time, up or down, by providing sufficient written notice to the Customer.

7.3 Late payment. In case of late payment, SOPHiA GENETICS may suspend access to the products (without prejudice with regards to any other actions). Access will be promptly restored following reception of payment. Any amount remaining unpaid following the due date of an invoice shall result in penalties of three times the statutory interest rate per month on such invoice. Any defaulted payment that remains unpaid forty-eight (48) hours following notification from SOPHiA GENETICS shall, at SOPHiA GENETICS' discretion, cause the sale to be annulled. SOPHiA GENETICS also reserves the right to annul any other unpaid orders, regardless of if they were delivered or not or if payment was due. In no case shall any payment be suspended or become the object of any compensation without the explicit written agreement of SOPHiA GENETICS.
